CERTIFID

CertifID allows the secured sharing of wiring information by:

- ✓ 1. Validating customer identities (security questions required that only you as the authorized individual can answer)
- ✓ 2. Securely sharing Title Company of the Rockies wiring information with you
- ✓ 3. Confirming the receipt of your wiring details
- ✓ 4. Confirming bank details (bank account certification confirms financial institution associated with routing numbers)
- ✓ 5. Guaranteeing your transfer up to \$1 Million
***CertifID's Money Protection Plan is also available should you want additional coverage*

By leveraging industry-leading security practices and real-time identity verification, CertifID guarantees the safe transfer of money when sending wiring instructions, confirming account information, and collecting account details. CertifID is able to guarantee every transaction up to \$1,000,000 against fraud; protecting over \$1 Billion in wire transactions every month, nationwide.

**** CertifID has strict security requirements, so the client must be in the US when they are completing the CertifID request.**

Do not trust any wiring information unless it comes through CertifID. If you receive any form of communication with new or revised instructions, ***no matter how legitimate it looks***, do NOT use the contact information included, please contact your local TCR office using the phone numbers online at www.TitleCoRockies.com
