FOR SELLERS

NET SHEET

Regardless of price, neighborhood, or motivation, every seller wants to know the same thing: how much will they net at close? Run an estimated net sheet in seconds from anywhere.

FOR BUYERS

QUICK ESTIMATE

TCRAgent ONE delivers the ability to answer questions that come up while house hunting. After simply entering in a house price, this program provides the estimated monthly payment (PITI), and itemized closing costs.

MONTHLY AFFORDABILITY

Most buyers today are living in house payments and not house prices. Monthly Affordability breaks that desired total monthly payment down into a range of house prices depending on the down payment. Monthly Affordability is perfect for open houses.
